We would like to add one sentence to the acknowledgements in the proofs. I sent the proofs off last week; is it possible to add the following sentence, at the end of note 26?

A portion of the work was performed by the Jet Propulsion Laboratory, California Institute of Technology, under contract with NASA.

Please, let me know if this can be done.

Thank you very much for your help,

sincerely,

Imke de Pater

Dr. de Pater,

You have two references to future work, which we generally delete. Because you have reintroduced these references to the edited galley, could you please clarify the status of these references.

I have added the sentence about JPL to the acknowledgment note.

Thanks,

Erik Morris
